

DogByte

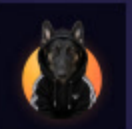

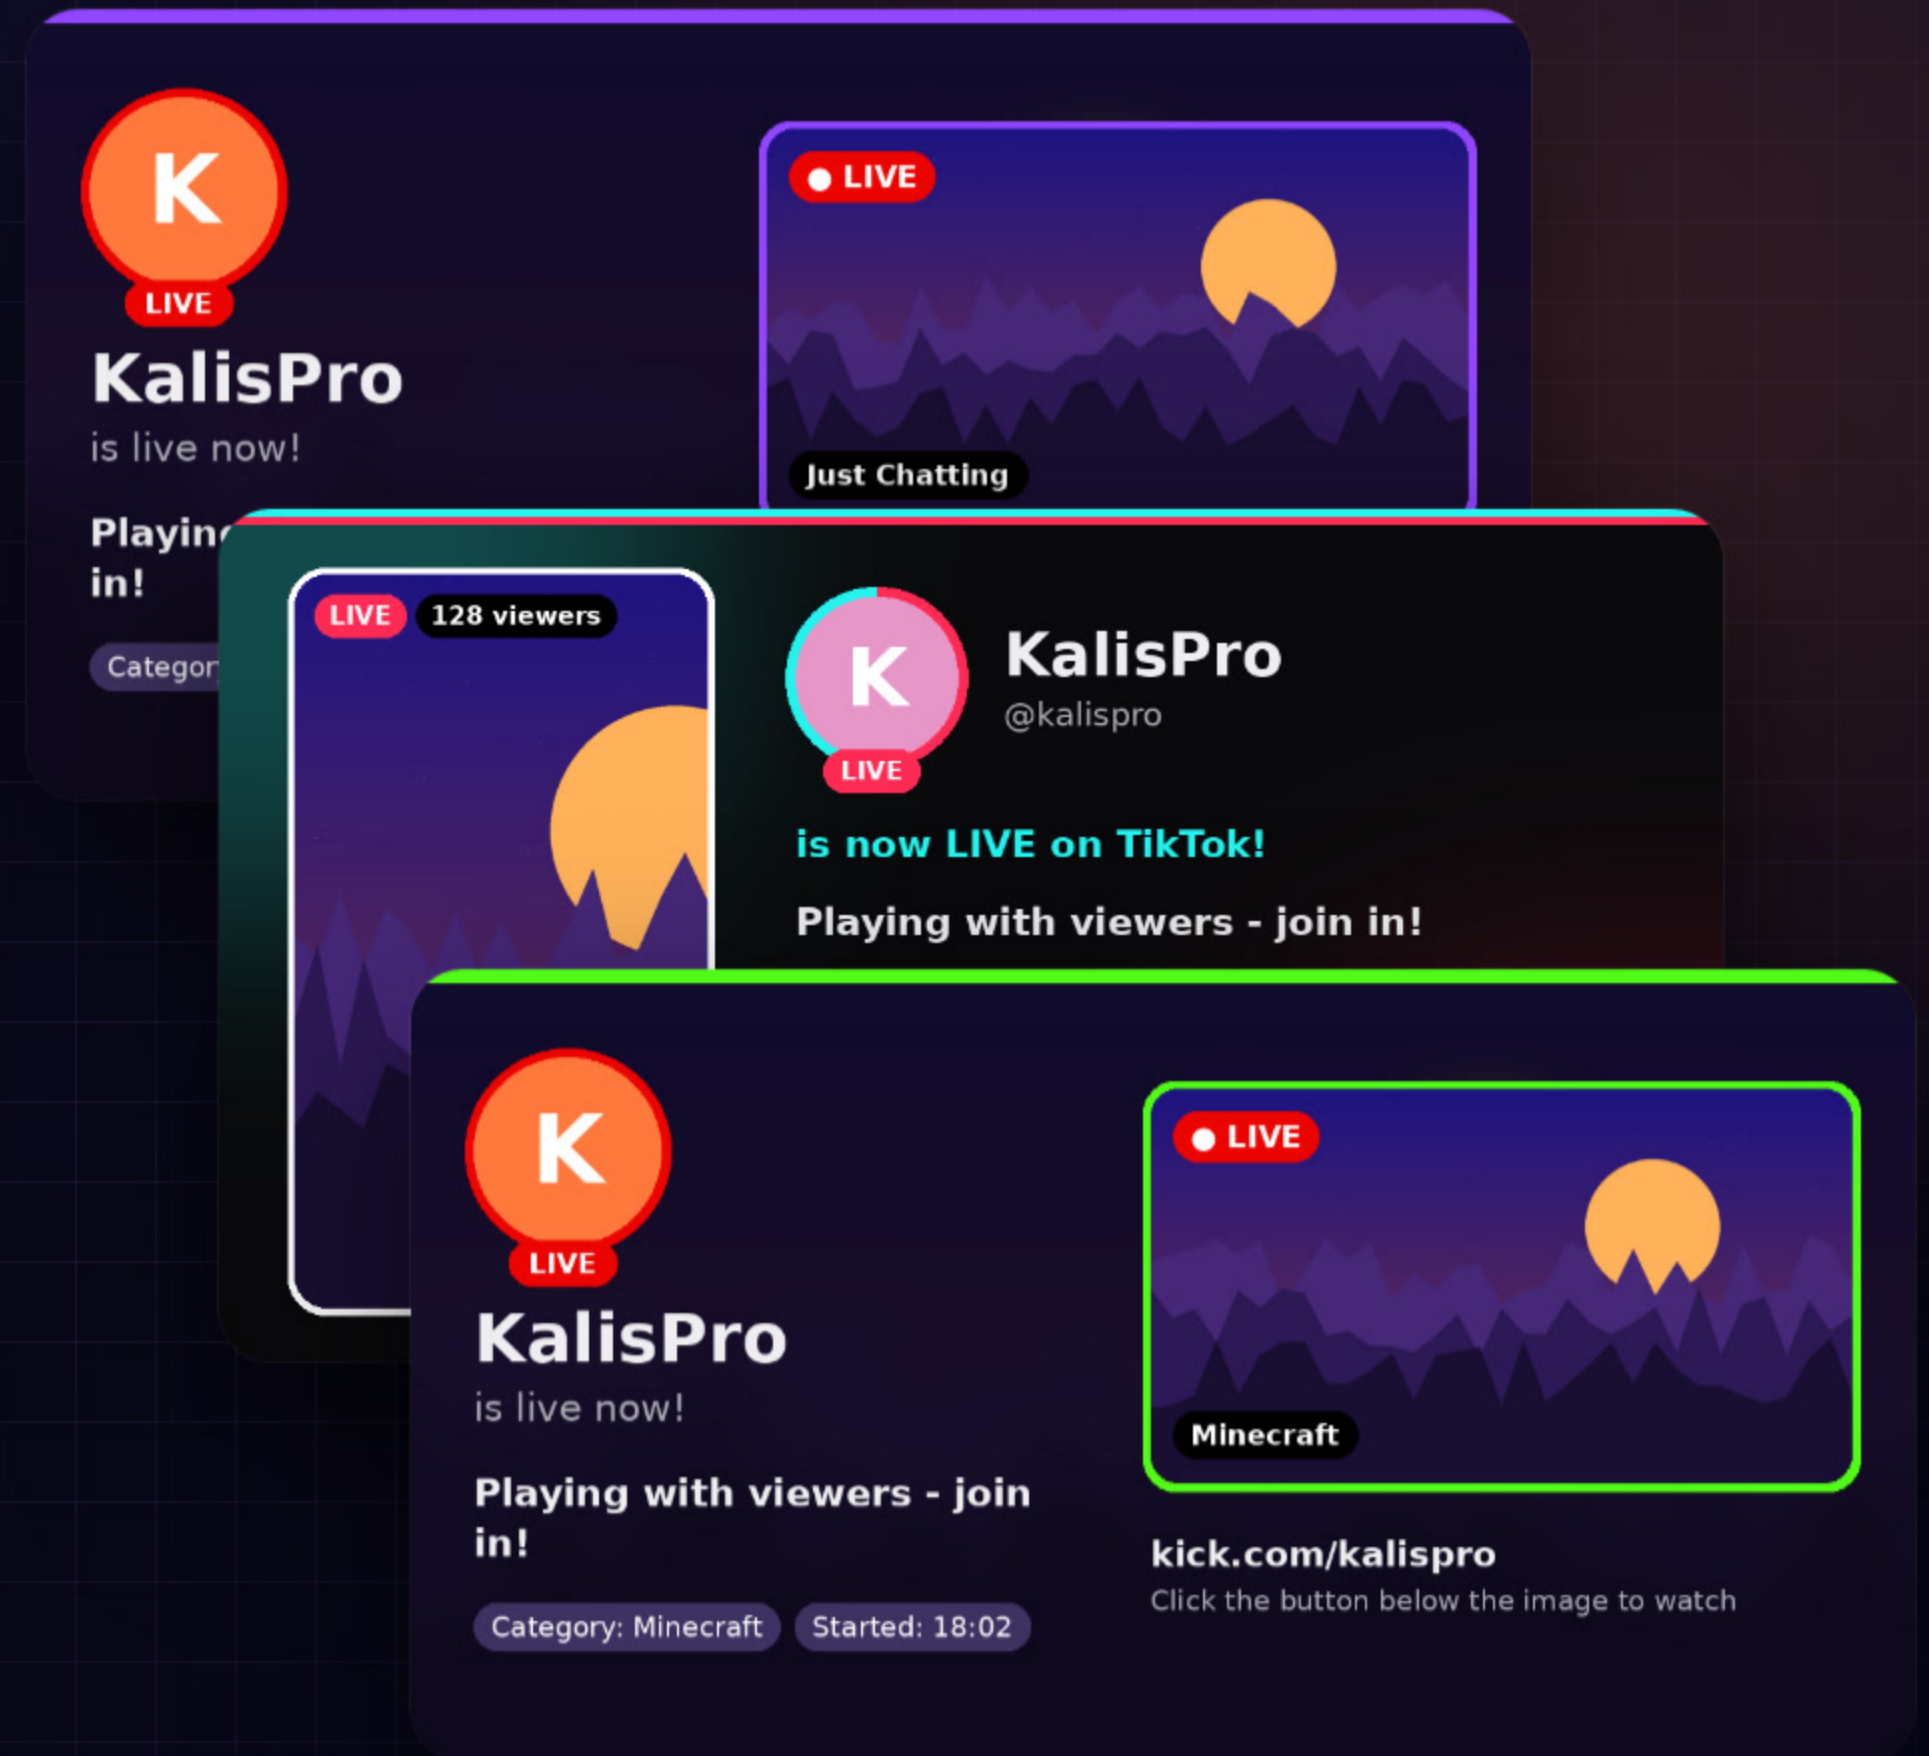

Free Discord bot for streamers

BY KALISPRO

- Live alerts

You go live, **your server knows**

- Twitch, TikTok and Kick in one bot
- A graphic with title, category and start time
- A "Watch" button and an optional role ping

● After the stream

The same message turns into a recap

- Duration and start - end time
- Peak and average viewers
- Categories played, no spam and no ping

OFFLINE · 3 h 25 min

18:02 - 21:27

Peak viewers

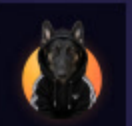

128

Average viewers

87

Played: Just Chatting, Minecraft

twitch.tv/kalispro

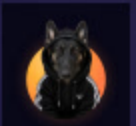

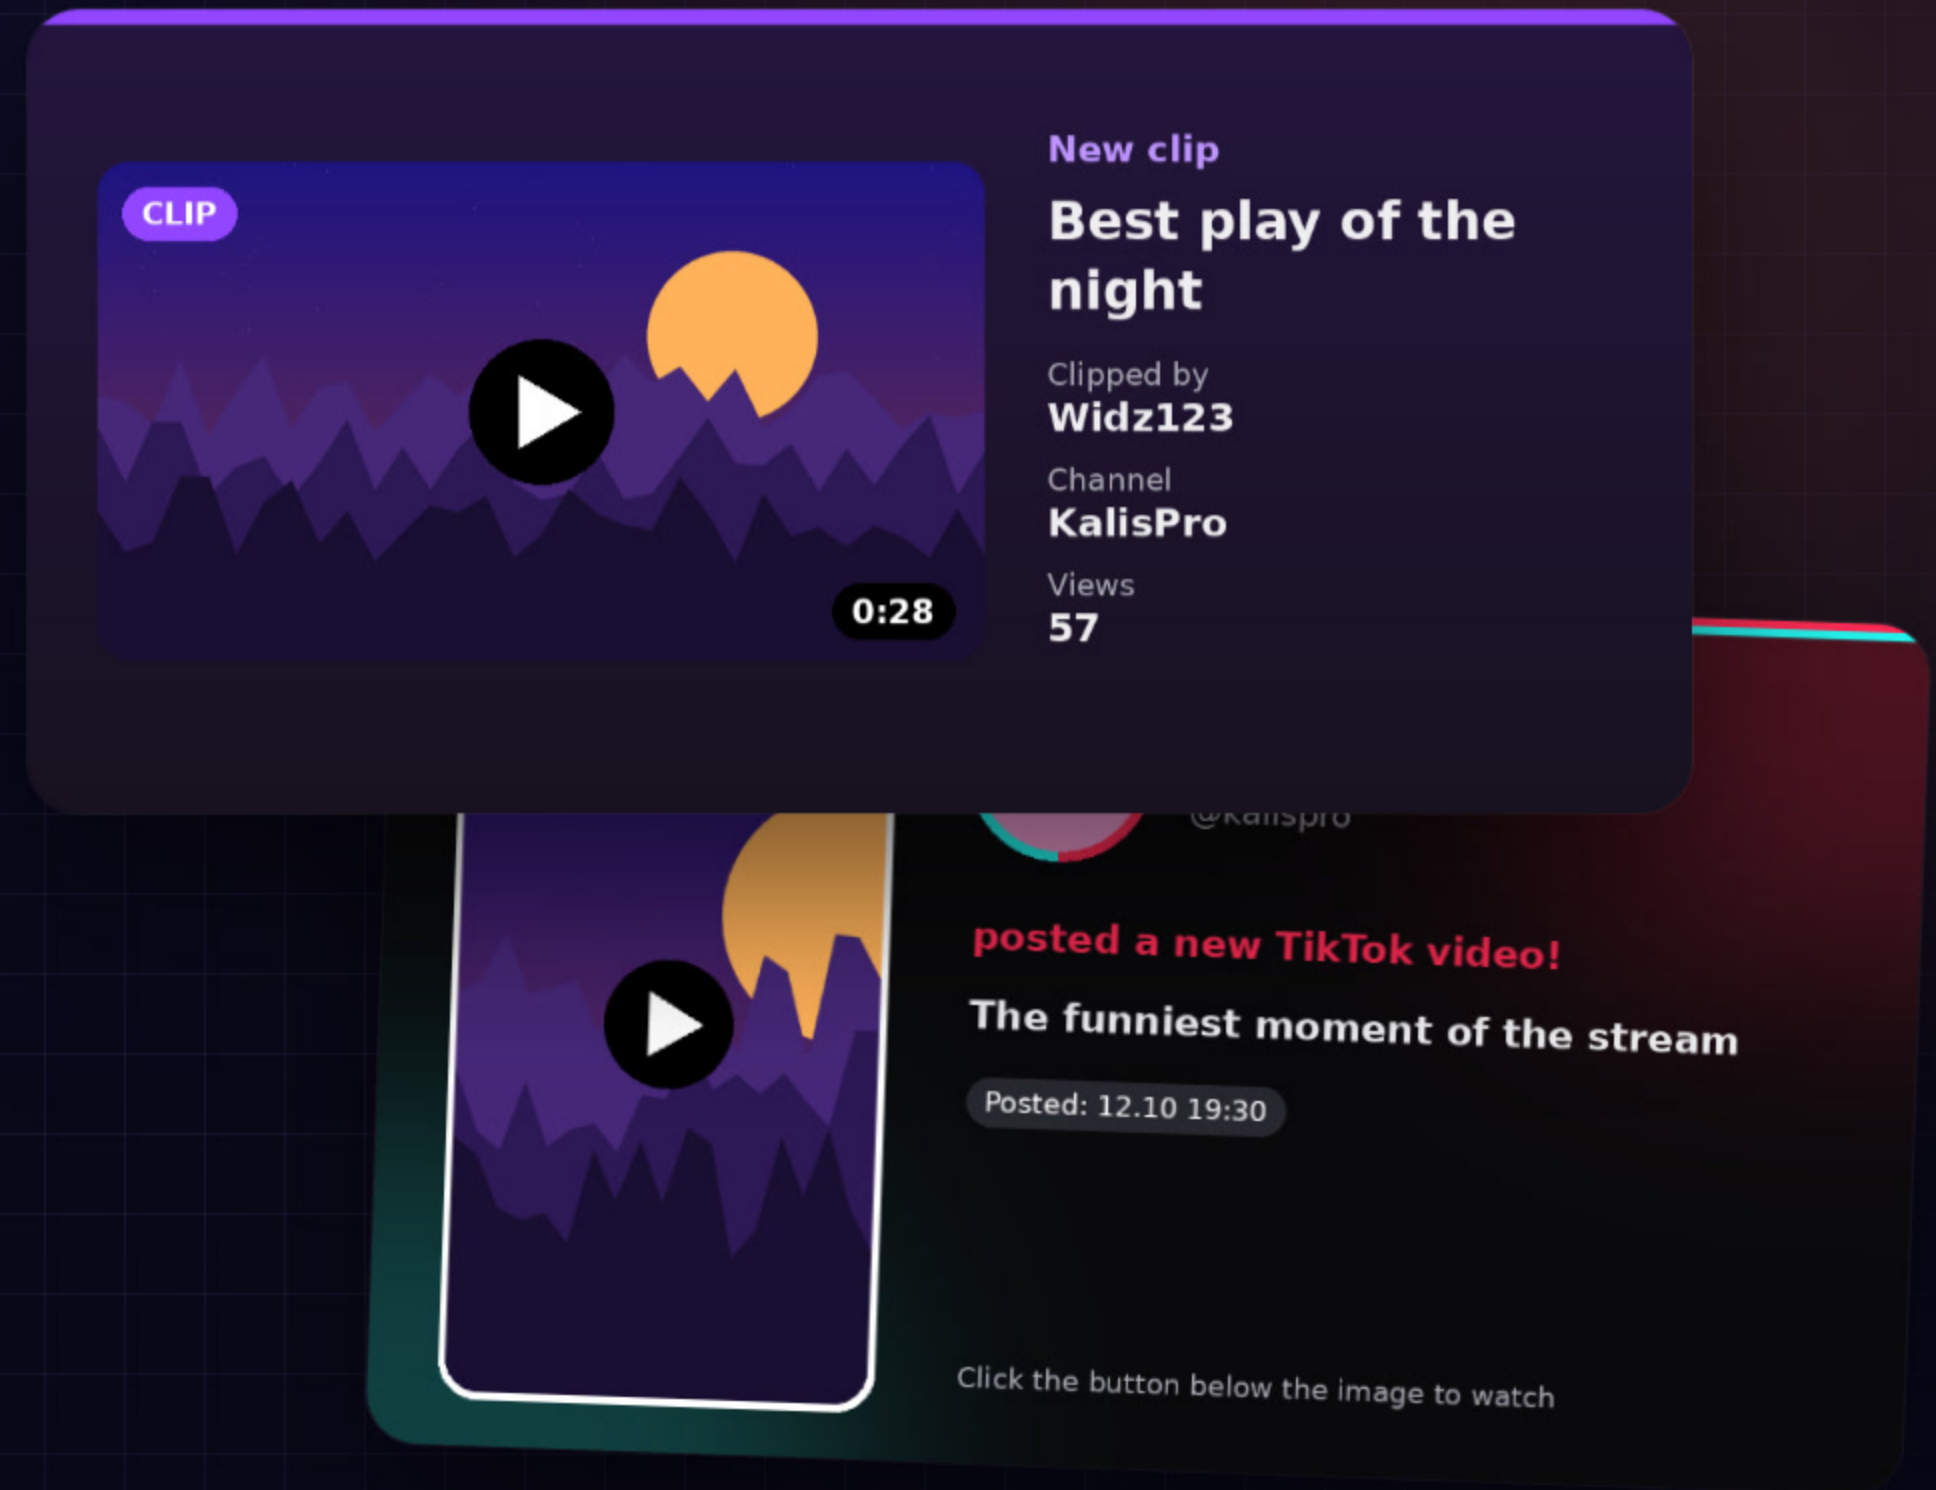

DogByte dogbyte.kalispro.uk

- Clips and videos

New clips and videos post themselves

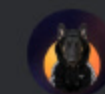

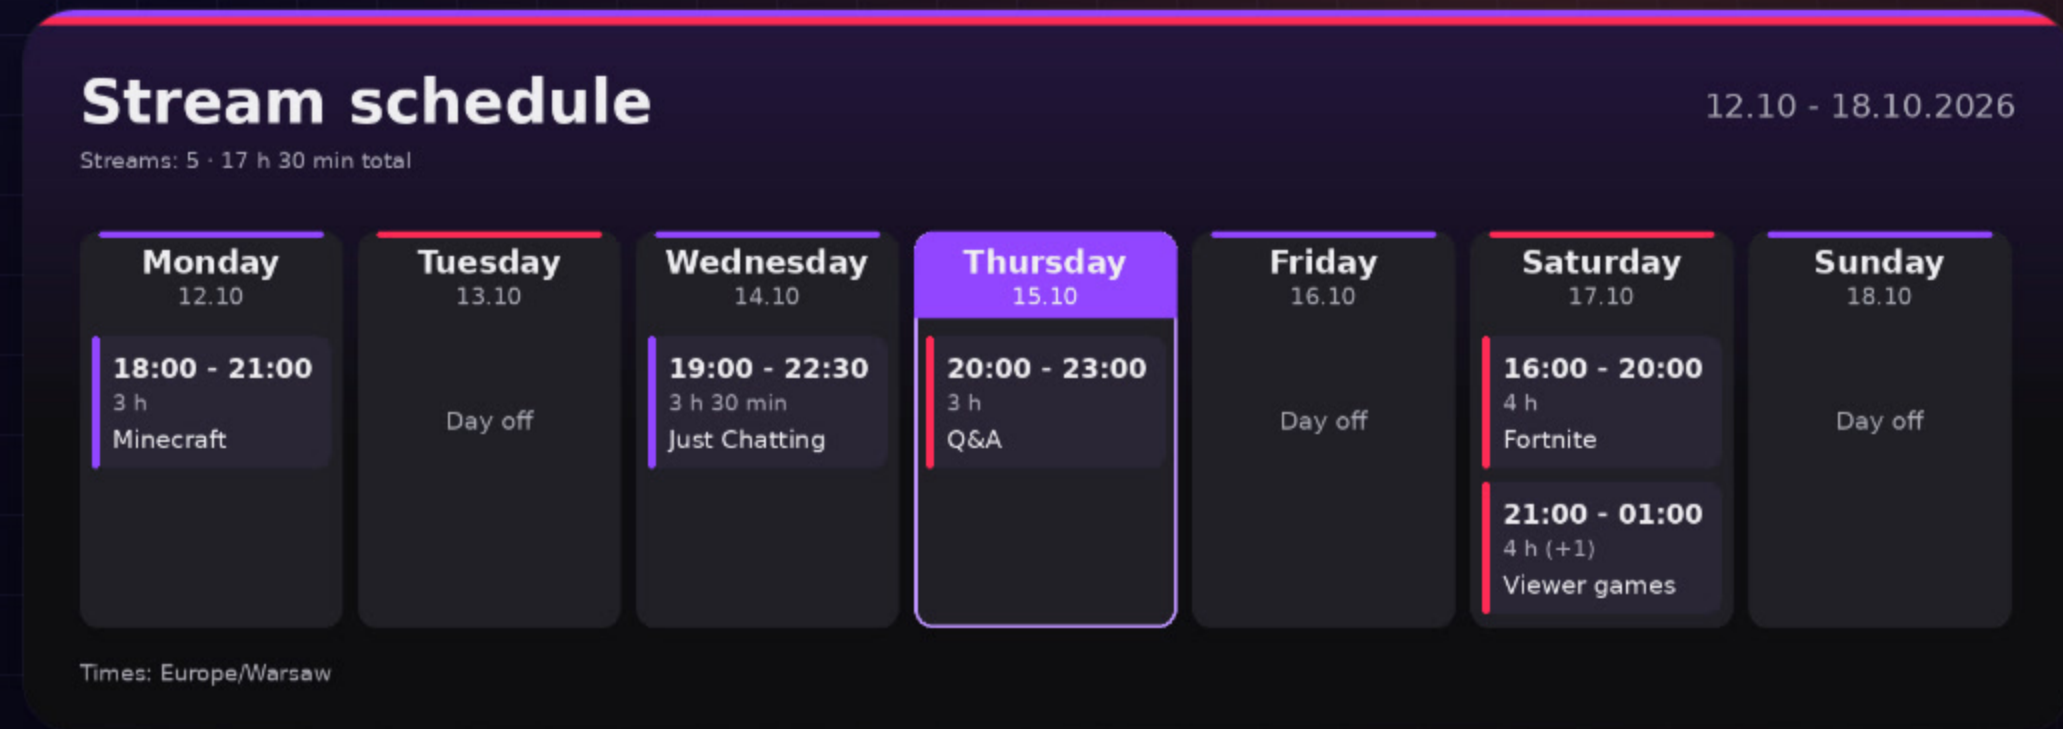

- Twitch clips with creator and views
- View counts refresh after 24 h and 7 days
- New TikTok videos with thumbnail and caption

- Stream schedule

A weekly plan that updates itself

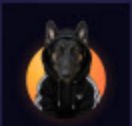

- Add a stream with one command
- The graphic refreshes daily and marks today
- A reminder with a ping before you start

DogByte APP

Stream in 30 minutes: **Minecraft**, 18:00 - 21:00
